

Cabela's National Team Championship
Qualifying Side Pot Example Payouts

All TWF affiliated clubs may host as many Cabela's National Team Championships as they wish; there's no limit. Register your club (if it's not already a TWF club) at walleyefederation.com. Then, click manage club roster to sign up 12 TWF members and you're active with full club benefits and insurance. (Call 580.765.9031 for help.) Hold as many side-pot qualifying events as you wish, in addition to and right along-side, regularly scheduled club events, as stand-alone events, or in conjunction with a charity event.

All you need to do:

1. Decide which events you've planned (or a new one) that will have a NTC side-pot attached to it. Choose one or choose them all
2. Register your side pot event(s) at www.walleyefederation.com starting March 15, 2013
3. Tell all your club members to go to www.walleyefederation.com and register for YOUR clubs NTC side pot event.
4. All participants in these direct NTC qualifiers must be TWF members or join at time or registration. ALL your club members do NOT have to be TWF members to fish your club events.
5. Weigh in your anglers just like normal in your club events. Highest finishing team registered for YOUR side pot event earns a Cabela's NTC spot! That's it! Simple, easy, no extra events and no extra dues for those wanting to only fish your club events. No added events to run, unless you wish too, and more support for your club! Below are some side pot payout examples, all of which are 100% payback.

Anything less than 10 teams registered will be refunded or rescheduled at your option. The 20 team example below shows a full Cabela's NTC package payout.

10 teams registered = \$500 collected 100% paid back

- \$300 paid entry into the following years Cabela's NTC
- \$3.50 per Team stipend to the host club (\$35)
- (2) Acrylic Cabela's NTC qualifier Plaques (\$100)
- \$65 in travel stipend
- = \$500

15 teams registered = \$750 collected 100% paid back

- One (1) \$60 Cabela's Gift Card
- \$3.75 per Team stipend to host club \$112.50
- = \$1500

2014

The purpose here is NOT to prohibit anyone from fishing (quite the opposite). You don't have to make ANY changes to your club events, entry fees or club dues. The side pot qualifiers are voluntary and simply make every Cabela's NTC spot an "earned" spot and paid for as much as possible.
