Raap, Timothy M: We had a total of 18 boats fishing tonight. Most everyone caught a good number of fish. The surface water temps ranged from 67-75. We have had a few nice days in a row with air temps in 75-80 range with stable weather and little wind. In general we have not had much warm weather so this is the first chance for water to start warming up. In general fish were caught all over the lake using many different tactics from live bait rigging to trolling.
